

You would like to go on an excursion around Bern?

Maybe you are new in Bern and would like to get to know people? Or you know Bern, but would just like to do something with other students - for example go on a hike, visit a sporting event or the Dählhölzli?

March 4th – April 1st – April 29th – June 3rd 2023

Once a month on a Saturday we go on an excursion together. Everyone is welcome to come along, whether just once or on a regular basis. Together we can brainstorm new ideas and determine our next destinations.
