

I need help!

Social Experiment

Thu April 27, 4:30 p.m

Together we put ourselves in the perspective of people who are begging and looking for help. We compare the reactions of passers-by at different locations. You can either represent a person seeking help yourself or be there as an observer. Own ideas are welcome.

Registration until April 24th. at anmeldung@aki-unibe.ch or directly via the QR code:
